REGISTRAR/STUDENT SERVICES

FYI OF THE WEEK:
As we approach the time of year when you will be asked to either enroll in the Student Health Insurance Plan or submit an eligible waiver for the 2016-2017 academic year, are you considering an alternate insurance to the Student Health Insurance Plan?

If yes, please see our website regarding the options for, and requirements of, these private insurances including Medicaid, Healthcare.gov (“Obamacare”), etc.

Note: Although Open Enrollment via the “Marketplace” or www.healthcare.gov for a 2016 health plan is over (for most people, the last day to enroll in a health plan for 2016 was January 31, 2016), you still may be able to get coverage this year, in some cases.

COLLEGE OF NURSING
HONORS SOCIETY MEETING

The purpose of this meeting is to establish an honors society for nursing students at Roseman University that will eventually transition into a Sigma Theta Tau International Chapter. It is open to any students and faculty interested in being a part of Roseman’s Nursing Honors Society. I will go over step by step what we have to do in order to accomplish this and the benefits to being a member of Roseman’s Nursing Honors Society. Also, whoever joins the nursing honors society now will be grandfathered into Sigma Theta Tau International, which offers numerous benefits to students entering the job market, so the sooner students get involved the better!

The first meeting will take place on Tuesday, February 23rd, 2016 in the N-2 nursing classroom at 11:00 am. Available leadership positions will be discussed. Questions? Contact wpauly@student.roseman.edu
