Addendum to the College of Nursing Student Handbooks

Roseman University uses a “Pass” / “No Pass” system of recording student achievement. The faculty at Roseman University has set the standard of achievement for each student at 90%.

To be consistent with the University, the following changes have been made in the College of Nursing Student Handbooks:

Old Language:

**Academic Standing**

**Transcripts**
The transcript reflects the Block subjects taken, the credit in the form of credit hours for the number of hours spent in class, and the grade point average (GPA). Students receive one credit hour for every 15 hours spent in a didactic classroom setting, one credit for every 30 hours spent in laboratory, and one credit hour for every 40 hours spent in a clinical setting.
