MBA Program Policy for Evaluation of Prior Graduate Education

Transfer students may receive MBA credits for prior MBA-level courses that were successfully completed at a regionally accredited university, as specified in the MBA Program’s policy for prior academic work (see residency requirement and time limitation policies). Students will not be awarded any MBA credits for prior work experience.

Minimum Residency Requirement & Time Limitation

The minimum course work that must be taken to fulfill Roseman MBA residency requirement is 8 courses/blocks (or 24 semester credits). Thus, a student may earn credits for graduate (MBA) courses completed elsewhere but must at a minimum complete 8 courses/blocks at Roseman to be awarded the Roseman MBA.

All requirements for the Roseman MBA program must be complete within 7 years from the day of matriculation and all course work transferred from other regionally accredited institutions must have been completed within 7 years of Roseman matriculation. Graduate Courses accepted for transfer must be: 1) Graduate courses approved by the Roseman MBA program; 2) Not used previously to meet a graduate degree requirement; 3) Reviewed and certified by the curriculum committee for its equivalency value; 4) Not taken after matriculation at Roseman (without prior documented approval).

Briefly express in 150 words or less your interest and motivation for the MBA program in an essay.

*List below all of the graduate business courses that you want reviewed and considered for transfer credits (attach file/paper with your application). Use additional sheets if necessary.

***Note, all requests for course transfers must be requested and approved, in writing, *before* matriculation. Any requests after will *not* be considered. A minimum of 30 credits is required to earn the MBA degree.**

****Students who apply late and are unlikely to finish the program within the allotted time will not be offered admission.**
