

EVERBRIDGE: ROSEMAN'S EMERGENCY NOTIFICATION SYSTEM

Everbridge is Roseman University's new Emergency Notification System. There are two ways to login to Everbridge: through your web browser or through the mobile app.

USING YOUR COMPUTER:

URL: <https://member.everbridge.net>

You will receive an email with registration instructions for setting up your username and password. These are the credentials you will use to login to Everbridge.

The screenshot shows the 'ROSEMAN ALERT' logo at the top, with the tagline 'The Roseman University Emergency Notification System, powered by everbridge'. Below the logo is a navigation bar with 'Login', 'Overview', and 'FAQs' links. A 'Help & Answers' link is also visible. The main content area is titled 'Emergency Notification System' and contains a brief description of the system's purpose. Below this is a 'Login to your account' form with fields for 'Username' and 'Password', each with a 'Forgot' link. There is also a checkbox for 'Keep me signed in (Uncheck if on a shared computer)' and a 'Login' button.

My Profile:

Under My Profile, you can update your contact information and the order in which you wish to receive the notifications.

My Locations:

This is the main campus/building you are in. This can only be changed by Technology Services. If your location is not correct, please submit a ticket with the Help Desk.

My Information (optional):

For those who travel between the Roseman campuses, you have the *option* to add yourself to *additional campuses*. You do not need to choose your permanent campus as My Locations is already covering this.
