

# HERO SCHOLARSHIP

## *Application & Scoring Rubric*

Each of the 4 criteria will be scored with 25 points each for a total of 100 points:

### **Financial Need – 25 points total – Upload Video**

25 points awarded based on submission of 1 ½ minute video as well as from FAFSA information supplied by students.

Please provide a 1 ½ minute video that provides information on how the scholarship will personally impact you, how it will enable you to matriculate to your program of choice, how the funds will be used, and how the gift will impact your personal financial situation. Also, please include how completion of your degree program will enable you to become a healthcare professional. Please provide background on why you wish to be healthcare professional. Applicant financial data supplied through FAFSA will also be considered.

### **Academic Promise – 25 points total – Will be taken from admissions application**

25 points awarded based on past student academic profile and information supplied in your admissions application.

### **Community Volunteerism – 25 points total – Please submit up to 250 words**

25 points awarded based on written submission to include past Community Volunteerism including duration of service, impact of work on student and impact of student's work at organization where they volunteered, complexity and effort required in their service.

### **Leadership – 25 points – Please submit up to 250 words**

25 points awarded based on written submission to highlight leadership qualities demonstrated including teamwork, ability to nurture others, ability to coalesce differing opinions and agendas, organization, problem solving, inclusiveness, communication skills, drive, project management, and ability to galvanize people.
