Dependent or Continuation coverage must be purchased via My Account, the UnitedHealthcare student portal at www.uhcsr.com/ruhs. The premium must be paid directly to UnitedHealthcare, not to Roseman.

Dependent/Continuation coverage ends on the termination date of the coverage term purchased. Renewal notices are not issued, and the coverage is not automatically renewed in the ensuing academic policy year school insurance plan. Eligibility requirements must be met each year.

**Dependents of students with late degree dates that include experiential for completion of degree requirements must pay \$314 per month for health insurance beyond the termination date. Dependent dates must match Student dates of coverage.*

***If enrolling a Spouse/Domestic Partner and Two or More Children, add the premium from both columns to get the total premium.*
