

Roseman University of Health Sciences Laptop / Technology Requirements

Technology Equipment:

Roseman University of Health Sciences requires all students and residents to have reliable access to a laptop computer that meets academic and security standards.

Effective the 2026-2027 AY, the following colleges will transition to a Bring Your Own Device (BYOD) model:

- College of Dental Medicine
- College of Graduate Studies
- College of Nursing
- College of Pharmacy

The College of Medicine will continue on the *Roseman and Dell - 1:1 Programs for New Students Policy* and will be issued a Dell laptop during orientation.

Recommended Specifications

- **Warranty:** Extended hardware warranty with accidental damage protection strongly recommended (warranty length should cover the **full length of the academic program** student is enrolled in)
- **Touchscreen:** Technology Services highly recommends touch screen functionality with a rechargeable pen to support note-taking, annotations, and coursework.

Recommended Accessories

- Mouse (recommended for reliability during exams or when touchpad issues occur)
- Rechargeable pen for note taking, if the model is a touchscreen.

Unsupported Devices

- Chromebooks, Linux-only laptops, and tablets (iPad/Android) are not supported as primary devices. These may be used as secondary devices but do not meet minimum requirements.
