- **Social Science** (6 credits)
- **Statistics** (3 credits)
- **English** (6 credits)
- **Humanities** (6 credits)
- **Electives** (9 credits)
- **US and/or Nevada Constitution** (3 credits)

Total Number of Prerequisite Credits = 49

All submitted prerequisite coursework is subject to a full review to ensure content relevancy.

“The Six-Point Mastery Learning Model®, state-of-the-art classroom/ lab facilities, and prestigious clinical placements further elevate the academic experience. As a Hero Scholar, I have felt even more nurtured by the University in my journey to becoming a nurse. I am profoundly grateful to everyone at Roseman and am proud to be studying here— best decision of my life!”

FREQUENTLY ASKED QUESTIONS

How does StraighterLine help you prepare for admission and eventually graduate? Our flexible, self-paced online general education courses are designed to help students prepare for or return to school with confidence. Beyond convenient online learning, students have access to wraparound support services, including on-demand tutoring and personalized academic advising, to help them stay on track and succeed. Self-paced doesn't mean learning alone—it means learning with the flexibility you need and the support you deserve.

How do I receive credit for StraighterLine coursework? Upon successful course completion, you are immediately prompted to send a transcript to the proper office at your school. There's no cost for transcript delivery.

Can I apply my financial aid or GI bill benefits? No, StraighterLine doesn't offer financial aid. However, StraighterLine is often used when you reach your financial caps or when you need to fill a general education gap quickly and affordably.

What is ACE credit? The American Council on Education's College Credit Recommendation Service (ACE CREDIT) helps students gain academic credit for formal courses and examinations taken outside of traditional degree programs. With over 35,000 courses reviewed, ACE is the national leader in the evaluation process for education and training obtained outside the traditional classroom. Thousands of colleges recognize ACE CREDIT recommendations, and ACE CREDIT has recommended all of StraighterLine's courses. Your school has already determined which StraighterLine courses will transfer, and how those credits meet degree requirements.

Can I contact StraighterLine advisors with my questions? Yes, please do! StraighterLine advisors are happy to speak with you. Please contact the Student Advisors at (877) 787-8375. Live Chat and Support Requests are also available at [straighterline.com](https://www.straighterline.com).

ONE PROGRAM – TWO LEARNING MODALITY OPTIONS

ON-CAMPUS LEARNING MODALITY

The on-campus ABSN program at Roseman University is a full-time, immersive learning experience available at our campuses in Southern Nevada and Utah. Clinical rotations, group assignments, and laboratory assignments are also held in-person at one of the Roseman campuses and/or nearby affiliated healthcare facilities.

HYBRID-ONLINE LEARNING MODALITY

For students seeking greater flexibility, Roseman University offers a hybrid-online ABSN program. The didactic (lecture-based) portion is delivered online, while clinical rotations, lab training, and group assignments take place at Roseman's campuses and/or affiliated healthcare facilities in Southern Nevada or Utah. This hybrid format allows students to balance their studies with other commitments while still receiving the hands-on training necessary to excel in nursing.

LIFE AS A ROADRUNNER

CAMPUS HIGHLIGHTS

With campuses in Nevada and Utah, Roseman University is in the nation's burgeoning Intermountain West region which offers an abundance of outdoor recreation, such as hiking, rock climbing, boating, camping, off-roading and world-class skiing and snowboarding in communities with rich cultural opportunities and a variety of entertainment. The scenic beauty, recreational opportunities, easy way of life and professional possibilities in Nevada and Utah give students, faculty and staff an environment where they can reignite their passions and achieve their goals.

THE HEART BEHIND THE SCRUBS: ABSN ALUMNI INSIGHTS

TYLER & MIKAELA, ABSN '24

"The faculty at the South Jordan Campus poured countless hours into making sure we were ready—not just to pass exams, but to excel in our careers."

YVETTE, ABSN '22

"My father was a nurse in the Philippines before he came to the US and became a cardiothoracic ICU nurse. He inspired me."

AMANDA, ABSN '22

"I realize now how much the Roseman model set us up for success. While I studied a lot and the program was difficult, the assessments, collaborative culture, and relationships with the faculty were perfect for me."

BRANDON, ABSN '21

"Roseman gave me the nursing skills needed for me to succeed. I know my grandmother Esperanza is smiling down on me."

AMANDA, ABSN '22

"Becoming a nurse allows me to think critically and utilize a unique skill set, all while impacting patients' lives."

TALISA, ABSN '23

"I knew that everything I was learning could be the difference between saving someone's life or not. That was all the motivation I needed."
