Owner Kelly Bouchareune:
Director of Medical Education
Area College of Medicine - Academics
References LCME 9.3 Clinical Supervision of Medical Students

RUCOM Delegation of Responsibility to Medical Students

Purpose:

To establish an institutional policy on medical student supervision during required clinical activities that ensure student and patient safety.

Related LCME Element:

9.3 Clinical Supervision of Medical Students

Related Policies and Procedures:

Scope:

All RUCOM medical students in clinical rotations

Responsible Party:

Associate Dean for Clinical Education

POLICY

1. Policy Statement

Roseman University College of Medicine requires that students are supervised at all times during clinical activities, that the supervising individuals practice within their scope of authority, and that students are not tasked to perform procedures outside the scope of their current level of training and ability.
