RUCOM Non-Involvement of Treating Faculty

Purpose:

To ensure that individuals who provide psychiatric, psychological, medical care or other health services to a medical student have no involvement in the academic assessment or promotion of the medical student receiving those services.

Related LCME Element:

12.5 Non-Involvement of Providers of Student Health Services in Student Assessment/Location of Student Health Records

Related Policies and Procedures:

Scope:

All RUCOM students and faculty

Responsible Party:

All RUCOM students, faculty, and the Office of Medical Education

POLICY

Policy Statement

Individuals who provide psychiatric, psychological, medical care or other health services to a medical student must have no involvement in the academic assessment or promotion of the medical student receiving those services. It is the responsibility of the faculty and/or student who realizes that such a patient-provider relationship exists to make the Office of Medical Education aware through the procedures that the school provides.
